NO SHOW POLICY

What is a “No Show”?

Because we reserve a considerable amount of physician and staff time for your healthcare needs, we require **at least 24 hours’ notice** when rescheduling or cancelling your appointment. **Failure to provide at least 24 hours’ notice to reschedule or cancel your appointment results in a “no show.”**

CAN Community Health is a not-for-profit organization, committed to spending enough time with our patients to provide excellent, high quality care. Because we pay physicians and other staff to be available for you during your scheduled appointment time, when you don’t show up for your appointment, it takes valuable resources away from other patients.

No Show Fees

Failure to provide at least 24 hours advanced notice will result in a no show fee. You will be required to pay any no show fees prior to your next visit, or work out a payment plan with a financial counselor.

Other No Show Penalties

If you have 2 no shows within a 12-month period, you may be required to schedule during one of our designated no show clinic openings to see one of our doctors. Multiple no shows may result in dismissal from the practice. Please be aware that repeated no shows may also disqualify you from receiving Ryan White services.

Appointment Reminders

Reminders are usually provided as a courtesy in advance of your appointment. We call the phone number you provided, so please let us know immediately if your contact information changes. Also, please consider registering on our confidential patient portal, which allows you to easily update your information and select communication preferences, such as text message or email reminders. Our front desk team is happy to set up the portal for you, or help you if you need a password reset. We appreciate your cooperation, as your advanced notice allows us to help sick patients with urgent needs.

If you need to reschedule or cancel your appointment, please call (941) 366-0134 x11910 as soon as possible to let us know.

I have read and understand this policy. I understand that it is my responsibility to notify the clinic at least 24 hours in advance if I am unable to attend my appointment.
