Dear CAN Family,

I hope you and your families are well. On behalf of the entire Board of Directors, we are excited to announce that Dr. Rishi Patel was unanimously appointed as CAN's newest President & Chief Executive Officer at our Monday evening Board meeting. We believe Dr. Patel is an incredible selection to lead CAN into the next 30 years of excellent patient care. We have confidence he will serve as an exceptional leader and guiding voice for CAN's patients/clients and our CAN family!

Within just the short seven months of his Interim leadership, Rishi has inspired our CAN family to increase commitment to their roles, improve communication, increase workflows, and productivity and think more creatively. In addition, he has focused on leveraging the organization's leadership and current business assets and platforms to solidify our current service areas and patient engagement, all while exploring and evaluating possibilities and opportunities to put CAN on a further trajectory for even more innovative and strategic growth.

Please join my fellow board members and me in congratulating our new President & CEO, Dr. Rishi Patel!

Thank you all for your hard work and dedication. Collectively we have created something extraordinary here at CAN. Thank you again for your commitment, your incredible service to our mission, and your continued pursuit of excellence in patient care. We appreciate all you do.

Happy Holidays,
