

Premier Specialized Medical Care In Your Community

We are PrEP RN's, a team of nurses who care about your sexual health. To those who qualify, we offer same-day PrEP, a once-a-day pill that can protect you from HIV infection.

We also provide:

- health screenings
- rapid HIV tests
- STI treatment
- and personalized sexual health education

We are here to serve you with compassion, advocacy, and expertise. If you are 18 or older and sexually active, you may qualify for PrEP. Contact us today and take control of your sexual health!
